COST OF THE SCHOOL DAY

We are committed to reducing cost of the school day

- Supporting Uniform replacement
- No cost for activities/trips to enhance curriculum
- No cost for participation in extra-curricular activities
- Digital devices provided if required

PARTICIPATORY BUDGET

Our pupils and staff have opted to spend 3% of our PEF on creating an outdoor learning space which will also have a dedicated health and wellbeing area. We hope to use this space to facilitate project based learning.

FLEXIBLE CURRICULUM

We offer a flexible curriculum to support many learners who, for various reasons, can struggle to access the curriculum. We use some of our PEF to provide alternative, more vocational based courses including Youth Action, Larder, RUTS and Hairdressing.
