- Building positive relationships between school & home
- Improving attendance
- Nurture
- Breakfast Club
- Small Group Support - building confidence/resilience

4

5

COST OF THE SCHOOL DAY

We are committed to reducing the cost of the school day

- Supporting Uniform replacement
- No cost for activities/trips to enhance curriculum for identified pupils
- No cost for participation in extra-curricular activities
- Digital devices provided if required

PARTICIPATORY BUDGET

Our pupils and staff have opted to spend some of the allocated 3% of our PEF on maintaining/enhancing our outdoor learning space to promote project based learning. They also want to create a dedicated health and wellbeing area. The remainder will be used to fund trips for those who would struggle to pay.

6

7

FLEXIBLE CURRICULUM

We offer a flexible curriculum to support many learners who, for various reasons, can struggle to access the curriculum. We use some of our PEF to provide alternative, more vocational based courses including Youth Action and The Larder
