

A Community Learning Together

Dear Parent/ Carer

I would like to take this opportunity to update you on the plans and preparations this term for P7 to S1 transition.

Prior to the Christmas Holidays, we are excited to welcome all primary classes to Whitburn Academy for an additional transition visit. During this experience the students will familiarise themselves with the layout of the school, spend a day in a school classroom and receive lessons from both their Primary teacher and some of the Secondary teaching staff.

On the day of the visit, students will be accompanied to and from Whitburn Academy by the Primary staff. Students will return to their schools in time for the end of the primary school day. Schools transport will be arranged by our Primary schools.

During the visit days, students are requested to bring packed lunches and a snack/drink for breaktime. There will be no availability for food and drink to be purchased on these visits days.

The visits schedule may be found on the school website and within the other transition communication that will be sent out to our cluster primary schools.

We hope this will be an enjoyable experience for our P7s and look forward to meeting them soon.

Yours sincerely

Tracey Loudon, Headteacher
